

LINCOLN UNIVERSITY

Rationale for Change: Upon review of our current peer group – “all public four-year Historically Black Colleges and Universities with enrollments between 1,000 and 5,000”, we recommend that we modify our peer group. The rationale was that the current peer group did not account for our size, mission, demographic, or our land-grant status. Our proposed peer group is the institutions, HBCU that are 1890, that the committee feels best addresses those areas.
